Our instructor to child/gymnast ratio is 4:1

Our daily lesson plan includes arts and crafts, dancing, judo, Olympic sports day, musicology and creative and artistic drama/acting day. Skits, nature exploration hikes, park days and much, much more!!!!!!

And of course lots and lots of GYMNASTICS.....

Note by: All Field trips are tentative with the weather and any uncontrollable factors that may arise.

Wow! What an amazing summer it was at LASG for all the children who got to experience a summer full of gymnastics and just being kids. Even though this was our third year holding a Special Needs Camp because of our years of experience in this field it turns out to be an incredible experience for all involved. WE look forward to many more years ahead of Summer camp at LASG for that Special person in us all.....
