

What does the party consist of?

Each party is reserved for a 2-hour time block (unless additional time is requested). You will be asked to arrive 30 minutes prior to your party start time to prepare for set-up and guest arrival.

At this time, you will be greeted by a Birthday Party instructor and questions and/or instructions will be given at this time. As your guests arrive, they will check-in with you in the private party room located on the 2nd floor adjacent to the observation room. Once all guests have checked-in, participants will be led to the main gymnasium room. The first 15 minutes will be a supervised warm-up accompanied by music and dance. As the warm-up concludes, every group of 10 students will be grouped with one instructor (boys/girls and age) and placed in a circuit of activities. The floor activities include; relay races, gymnastics games, obstacle courses, foam-filled pit, Peter Pan ride, zip line, trampoline, mazes and much more! The activities will run for approximately 1 1/2 hours. Once all floor activities are concluded, all participants will be forwarded to the private party room where you can serve your choice of refreshments, food, cake and any other activity you prefer. You will have the last 30 minutes of your party block in the private room to conclude the party activities. You may modify the schedule by special request or if you choose to add additional time to your party date.

Happy Birthday

Guidelines

Gymnastics Activity will include trampolines, obstacle courses, foam-filled pit, Peter Pan flying ride, parachute games, and other fun activities using gymnastics apparatus. This is a supervised party for children. Children will be grouped and will participate in the gymnastics activities with an instructor. There is no FREE PLAY in the gymnastics area. Only the parents of the birthday child are allowed on the gym floor. For parties with children attending that are 3 or under, one parent will be allowed to participate with the child on the floor. All guests, spectators, non-participants and visitors must stay in the party room or adjacent observation room. For children who can not stay with an instructor and/or group (i.e.: unruly children, toddlers), will be asked to view the party in the party room or observation room until the conclusion of the party time block. Each participant of your birthday party will receive a participant ribbon and a coupon for a future gymnastics class.
